

RASHI DON'T BE SAD PLS :(

Hey Rashi,

I just want to take a moment to tell you how truly special you are to me. You are the most beautiful person in the world, and every time I see you, my heart fills with joy. Your smile is the brightest thing I've ever seen; it lights up my day like sunshine on a rainy afternoon. Whenever you smile at me, I can't help but smile back because it makes me so happy.

But your beauty isn't just on the outside. You are the kindest person I know. You always care about others and try to make everyone feel better. I love how you cheer people up when they're feeling down. You have this amazing ability to say the right thing or give the best hugs. Your kindness is like magic, and it makes you stand out from everyone else. I really admire you for that.

I know you're feeling sad right now, and I want you to know that it hurts me to see you like this. It's so not worth being sad over Shahwez because, honestly, he doesn't deserve someone as wonderful as you. You are so much better than him in every way. You have a heart of gold, and you deserve someone who truly appreciates you and all the amazing things you bring to the world. Please remember that you are incredible, and you should never doubt your worth because of someone who doesn't see how special you really are.

Sometimes, I notice you worrying too much about little things that don't deserve all that attention. Like when you stress over a small mistake on a test or think too hard about things that don't really matter. I wish you could see how incredible you are and how you don't need to worry so much. You deserve to be happy all the time because you give so much happiness to everyone around you. Remember, it's okay to make mistakes! They don't change how amazing you are.

You truly deserve the best things in life, Rashi. You work so hard in school and always help your friends. You should have all your dreams come true because you put in so much effort and care about everything you do. It's not fair that you sometimes feel bad about yourself

when you bring so much joy to others. Always remember that you are worthy of every good thing that comes your way.

To me, you are my home. Being with you makes me feel safe and comfortable. I can always be myself around you, and I love sharing my thoughts and feelings with you. You understand me better than anyone else, and that's why I cherish our time together. You make even the hardest days feel easy, and I feel so lucky to have you in my life.

I love you so much, Rashi. You are perfect for me in every way, and I am grateful every day that you are a part of my life. Whenever I think of you, I feel warm and happy inside. I want to be there for you and make sure you know how amazing you are. I promise I will always be there for you, no matter what happens. I will never leave your side. You truly are a special person, and I hope you always remember how much you are loved. I will always be by your side, cheering you on and reminding you of how wonderful you are. You are my best friend, and I can't imagine my life without you.

With all my love,

Malay
